

Trouble in the forest

A delightful picture book that tells a story of the Wood Elf, Maria, who teaches two boys about caring for the forest.

Based on a true episode where a young girl witnessed two boys being destructive in a forest and teaches them the value of caring and sharing the knowledge of conservation. A great story for child from 3 years to 9 years with animals to find hidden with in the pictures.

The beautiful pictures are photos taken by JM, in her favourite forest, and created into illustrations.

“What’s going on? What’s Happening in our forest?” clucked Chook. “Why are the trees crying. Maria, where are you? We need Help! Did you see two boys walk by?”

Did an Echidna just run past?”
